

## Building Barbie

The GP team are having SO much fun playing with the Mega Bloks Barbie Collection. Build Barbie's girly world piece-by-piece, then style and accessorise her! We gave Barbie a big pink bow and a gorgeous gown, but you could give her a sunhat and a summer dress! Check out these cool sets at all good toy retailers or visit [www.megabrands.com](http://www.megabrands.com).

## Singing In The Rain

June marks the beginning of soggy winter days. Urgh. But, you can turn those frowns upside down thanks to SPLASHitToMe raincoats from EnviroTrend! They fold up to a teeny tiny size, so stash one in your school bag and whip it out in wet weather. Visit [www.envirotrend.com.au](http://www.envirotrend.com.au) and place your order!

## Being Waste Wise

### Here's a not so fun fact:

1.3 billion tonnes of food is wasted every year! It's **World Environment Day** on June 5 and the theme is Think.Eat. Save. You might think saving the Earth is just about planting trees and keeping our oceans clean, but one MASSIVE way to help is not wasting food. Making a hamburger takes 16,000 litres of water, so if you chuck half of it away... that ain't good!

## Designing For A Cause

Budding designers under 12 can enter the Woddlers Design A Backpack Competition. You've got until June 30 to design a cool backpack and the winning ones will be sold in stores! Plus, all the proceeds will be donated to the Starlight Children's Foundation! Enter at [www.woddlers.com.au](http://www.woddlers.com.au). PS. You can **WIN** a Woddlers lunchbox and backpack! To enter, email us at [girlpower@nextmedia.com.au](mailto:girlpower@nextmedia.com.au) and tell us why you want to win!
